HALIBURTON — ONTARIO

THURSDAY, MAY 30TH, 1968

Established in 1882 as the
Minden Echo & Haliburton Recorder

Pictured above is Mr. Ben Varty of West Guilford along with his sister, Mrs. Violet Shaw, of Ferryhill, County of Durham, England. Mrs. Shaw is visiting with her brother here and she leaves for England this Friday. They had not seen each other for forty years.

Telephone Service

Last week we commented on complaints that we had received regarding the telephone service in Haliburton. Mr. Stan Fisher, who is in charge of the operation of the Bell Telephone System in this area, has provided us with some idea of the difficulties that the company and its employees are encountering in trying to provide better telephone service to users throughout the County.

It should be stated that when the Bell took over the Dysart Telephone System they were faced with a substantial list of people who had crying for telephone service for a number of years, but the Dysart System did not have sufficient money to supply the additional lines or to purchase additional switchboards to care for the extra load.

Mr. Fisher took us on a tour of

the local central offices where we saw that two new additional switchboards have lately been installed and will soon be in operation. While talking to Mrs. Geraldine Stewart she informed us that an average of 4,000 local and 200 long distance calls are being handled by the office daily at present. With the summer season approaching the load will be heavier, especially as far as long distance calls are concerned.

Additional phones are being added to the system every day, and until the new operators are sufficiently trained and the new switchboards get into play there will be from time to time some slight delays. We possibly should remember that while we may have to wait a few minutes for a line some of our residents have had to wait years for a telephone.

County Council Dissatisfied With Roads

The members of County Council at a meeting held on Monday of this week expressed their dissatisfaction with the road situation in certain areas of the County. In fact they intend to go direct to Queen's Park to see just why it is that our road system has been allowed to get into the shape that it has.

The members of County Council have for some time been hearing many complaints, especially with regard to Highway 35 from

Norland to Minden and Highway 121 north from Fenelon Falls. It is now about 10 years ago since the Chamber of Commerce attempted to have Highway 35 improved; a few minor repairs have been made during this time, but from Norland to Haliburton a major job is needed right away.

We hope that the members of County Council will not rest until they secure action in this connection, as a decent road system in the Provisional County of Haliburton is long overdue.

Letters To The Editor

Wilberforce, Ontario,
May 27, 1968.

To the Editor.

Dear Sir:

I am writing you on behalf of our Mentally Retarded. No doubt you were delighted, as were the rest of us who are interested in helping these unfortunate people, to learn of the new legislation to bring the schools for trainable retarded children under the new County Boards of Education. At last we are relieved of the problem of financing our school which cares for children between the ages of five and 18, so now we can concentrate on other age groups of which those over 18 are our greatest concern at present.

One of our pupils has now reached 18 and others are not very far behind. Is it fair to turn them out onto the street? At present we have nothing more to offer them and the many more who were too old to benefit from any school training.

The solution, of course, is a sheltered workshop where these people can continue their training and assume a life of dignity and usefulness in the community. Of course there are many stumbling blocks in our way but were we not told that we could not have a day school. Many of

the problems are the same — transportation, a building, a director, et. — but the most important is a supply of work for them.

These people are capable of doing well many simple jobs normal people find costly and boring. In fact there is no end to the number or variety of jobs they can be trained to do well. And this instills in them such a sense of responsibility and achievement.

Our citizens have been so very helpful in getting our school started and in supporting it, for nearly eight years. The Haliburton and District Association for the Mentally Retarded is very grateful for this help and are hoping that they might continue with their generous support so that a sheltered workshop can be set up. The need is very great. We would also welcome any suggestions in this matter.

Incidentally, the second printing of our popular Centennial Cook Book has arrived. Those who missed securing a copy last year will find in various places of business throughout the County, or get in touch with me.

Yours sincerely,

Gertrude F. Miller, Chairman,
Home Care Committee,
Haliburton and District Assoc.
for the Mentally Retarded.

Search Ends For Constable

MINDEN (ENS). — Ontario Provincial Police discontinued dragging operations on Sunday evening for the body of a RCMP Special Constable who is believed drowned in Redstone Lake, 27 miles northeast of here.

The search started after the disappearance last Tuesday of Frederick R. Escott, 44, of 475 Kingswood Road, Toronto.

He had left his home last Monday evening to go to his cottage and was seen fishing on the large lake last Tuesday at dusk.

The Constable's empty 14-foot boat, with the outboard motor still running, was found circling in the lake about 100 yards off shore late last Tuesday.

Robert Thompson Here To-Night

Robert N. Thompson, former leader of the Social Credit Party, will be in Haliburton tonight (Thursday), to address a Progressive Conservative Rally at the Royal Canadian Legion Hall.

Mr. Thompson, who is now on the Stanfield team, will be the guest speaker at the meeting which starts at 8:30 p.m.

Those attending the Rally will also have the opportunity to meet your local member, William C. Scott.

Refreshments will be served following the speaking.

Clean Up Month

Once again this year the Haliburton Businessmen's Association are sponsoring a Spring Clean-up Campaign in the Village of Haliburton, with the aid of the Municipality of Dysart who have declared June as Clean-up Month.

Whether you rake your lawn, trim the hedge, sweep the sidewalk or paint your house your efforts will show.

Beautify Haliburton by joining with your friends and neighbours in this campaign.

Logan Urges End To "Creeping Separatism"

David Logan, Liberal candidate for Victoria - Haliburton Riding, has been asking the electorate to support Mr. Trudeau's desire for a strong unified Canada.

This theme was pounded home by Mr. Logan in two organized meetings and in the countless informal conversations during the last week. Mr. Logan has been rising early and retiring late in his relentless bid for a voice in Canada's affairs.

On Tuesday, May 21, Mr. Logan met with party workers from all over the riding at the Committee Rooms in the Lindsay Curling Rink. An enthusiastic group assembled and they disbanded with a determination and feeling of confidence not previously experienced in Victoria - Haliburton for many years. Mr. Trudeau as Prime Minister appeared to be the spur that everyone needed.

On Thursday, May 23, at the Central Senior Public School in Lindsay Mr. Logan urged a call for the end to the creeping separatism which is tearing apart the foundations of Canada.

In his thirty minute speech, marking the official opening of his June 25 Election campaign, the Lindsay lawyer stressed the need to take a new direction . . . "Chart new courses and look for new ideas if we are going to stop this continuous erosion of

those powers which are so necessary if this country is going to continue to be governed by the Government of Canada for the benefit of all Canadians irrespective of where they might live."

He maintained that the people in all parts of Canada have to make a fundamental decision in this election, they have to decide whether they support a strong Dominion Government or whether they support ten strong Provincial Governments.

"They have to decide, too, whether they are federalists or whether they are provincialists."

He asked his audience to consider very carefully whether Canada can stay together as one nation if the provinces are allowed the right to negotiate with foreign countries in those areas which come under exclusive Federal jurisdiction.

Prime Minister Trudeau, he said, has stated that he came to Ottawa to govern Canadians, not French-Canadians, not English-Canadians, and not any other kind of Canadians — just Canadians.

"If we are going to tackle those problems which effect our economy, whether it be in the field of agriculture, labour, or industry, or if we are going to bring about a just society, a vigorous economy, and an united country, (Continued on Back Page)

County Area School Bd. Jan. 1

As of January 1, 1969, all the schools, both public and secondary, within the County of Haliburton will come under the control of one Board. We understand that the Board will be made up of 13 members. Representatives from the various municipalities have been apportioned as follows: Anson, Hindon & Minden 2; Carleton Place 1; Dysart 3; Glamorgan 1; Lutterworth 1; Monmouth 1; Sherbourne 1; Stanhope 2; Snow-

don 1. While the changeover does not come into effect until January 1 several preparatory steps must be taken, such as the appointment of an administrator and a secretary and also the setting up of a central office.

We might add that representatives to the Board will be elected in December, in order that they will be ready to act at the first of the year.

Local Men Attend 59th Rotary Convention

Mr. Jack Robertson of Haliburton and Mr. Percy Brintnell of Minden, along with their wives, were among the thousands of Rotarians from more than 60 countries attending Rotary International's 59th Annual Convention held in Mexico City from May 12 to May 16.

Official delegates to the Convention elected to office Rotary's world leader for 1969-70 and took action on proposed legislation. They also elected international

officers for the year beginning July 1, 1968.

On Monday afternoon, May 13, the Convention divided into more than 50 assemblies based on a Rotarian's business or profession. Called Vocational Craft Assemblies, these meetings give Rotarians an opportunity to exchange ideas — to "talk shop" — with other Rotarians from around the world, whose vocations are the same as their own.

On Monday, May 13, Gustavo

Diaz Ordaz, President of Mexico, addressed the Convention. Other speakers included Bill Moyers, former Press Secretary of President Johnson; Ambassador Sol Linowitz, U.S. delegate to the Organization of American States; and Roberto de Oliveira Campos, President of Investbanco, Sao Paulo, Brazil.

A highlight of the program was a symposium on Law and Order on Wednesday morning, May 15 featuring a panel of international police chiefs and jurists.

ESTIMATES OF DEPARTMENT OF AGRICULTURE AND FOOD

The Minister of Agriculture, the Honourable William A. Stewart, introduced his 1968-69 budget with an excellent analysis of the difficulties facing the agricultural industry and the policies which he has initiated to ensure that the family farm in Ontario can progress through the social and technological evolution which presently characterizes the industry and move on into a promising future.

He stated that the two key concerns in agriculture today are: first, the difficulty experienced by farm operators in earning a fair return on their labour and investment; and secondly, their uncertainty about the future of the agricultural and food industry.

For agriculture to survive and flourish, he suggested that Ontario farmers must be prepared to submerge some of their traditional thinking, and to replace it with the disciplines of business.

The Business of Farming

The Minister stated: "We believe in the family farm, operated efficiently as a family business and are convinced that these family owned and operated businesses will ensure a sound industry for the future."

The Minister expressed concern about the large corporations,

many of them engaged in the manufacture and sale of goods and services used in agriculture, or depending on agriculture for their raw materials, that have an eye on agriculture as an investment.

He pointed out that corporate farming is on the increase in the United States, and that we must be keenly aware of the same threat to the traditional family farm philosophy here in Canada.

Competition

The Minister emphasized the highly competitive nature of agriculture, not only between producers of various commodities, but from substitutes on synthetic products as well. In addition, Ontario producers also face the overwhelming competition of imported products from countries where labour costs are low, and where — in some cases — government programs assist in marketing products at prices that bear little relation to the domestic price or the cost of production.

Marketing

Ontario farmers are today making greater use of marketing legislation than those in any other jurisdiction in North America and perhaps in the world. Nevertheless, the very best efforts of some of our most efficient producers have been neutralized by the unhindered importations of low-cost products from outside the Province. For this reason, the Minister again reiterated his hope that the Federal Government, working in conjunction with producers at the national level, will shortly establish national marketing programs for those commodities suffering from unfair competition from outside the country and inter-provincial movement from within the country.

Junior Farmer Loans

The purpose of this loan program is to enable young men to buy into and expand the family-operated business. More than five thousand of these first mortgage loans, to a total of more than \$70 million, are now out; and by the end of this year a further \$24 million will be approved to qualified young men.

Farm Enlargement

Last year a farm enlargement program under ARDA was initiated whereby farmers hindered by uneconomic units could have assistance in acquiring adjacent acreage. As of March 31, 1968, 355 farms have been acquired, totalling 50,683 acres. These lands are then leased to interested farmers for a period of five years, with an option to buy at any time within that period, or to renew the lease for a further five years. In this way, farm families are enabled to build economic units without heavy capital commitments during the period of adjustment.

Capital Grants

Through this program, financial assistance is provided to farmers for improving their facilities and modernizing their operations. In the twelve months ending March 31, 1968, 13,249 grants were made under the program, to a total of \$7,163,000. Of these, 9,502 worth \$6,246,000 were for farm structures, while the remaining 3,747 grants were for farm water supplies or field enlargement.

Crop Insurance

Working in conjunction with the Federal Government, Ontario has gone further in the development of a comprehensive Crop Insurance program than any other province. The Ontario Crop Insurance Commission in less than two years has gained sufficient experience to be able to provide protection for the growers of fall wheat, spring grains, grain corn, soy beans and forage crops — the key crops on Ontario farms. At present, consideration is being given to broadening the concept of this program to enable farmers to insure for lesser amounts than are now provided, with the emphasis on cost of production.

Agricultural Education

The Minister stated that this problem is being attacked on two

levels. First, there is the provision of professional training for the men who will be our farm operators of tomorrow; and secondly, the use of every available means to upgrade the skills of those presently engaged in farming.

The degree graduates from the Ontario Agricultural College at Guelph are in great demand.

The results of the two-year diploma course at Guelph have been most encouraging. At the Department's Colleges of Agricultural Technology, courses have been established to prepare young men for full-time careers as farm managers. The facilities for this training at Kemptville and Ridgeway have been expanded. A similar course at New Liskeard is being provided. Another college at Centuria has been opened, and the Department is participating in the provision of similar training for students at the Woodstock satellite of Fanshawe College.

At the same time, the Department is attempting in a variety of ways to upgrade the skills of those presently in the industry. This is being done by the regular program of extension, short courses, Farmer's Week at colleges, the use of television, and short courses in local high schools five nights a week for periods ranging from four to twenty weeks.

The Farm Income Committee

A sum of \$500,000 has been invested in an exhaustive study of the agricultural industry now being carried out by the firm of Hedlin, Menzies. The Minister expressed his confidence that the findings of the Federal Task Force on Agriculture will also have relevance in Ontario, and he pledged the whole-hearted co-operation of the Farm Income Committee with this task force.

The Minister again stressed that the industry's problem cannot be solved within the narrow confines of one province. In Ontario many programs and policies have been implemented to improve efficiency, reduce production costs and improve returns to the producers, but superimposed on these programs are the limitations of Federal jurisdiction, which can and do hamper our efforts from time to time. The only practical solution lies in co-operation with the Federal jurisdiction and, through such agencies as the Task Force, to exert our influence on national policy.

Unity

The Minister pointed out that in Ontario agriculture does not speak with one voice or two, but with many voices. This fragments the strength of an industry already declining in numbers; it weakens the bargaining position of farmers; and it exposes the industry to ridicule and indecision.

He pointed out that a 16-man committee is now working to draft a proposed farm organization structure that will be acceptable to Ontario farmers. He stated that "they (the Committee) have toiled long hours, and it is hoped their work will not be in vain. I have not been a party to these discussions, for it is my opinion that farm people themselves must decide upon the kind of organization they need. But I would like to go on record as stating that, in my opinion, farm people can no longer afford the extravagance of division, duplication and dissension within their ranks."

"There is a growing demand throughout the industry for bargaining power, such as now exists in Britain and is gradually being introduced in legislative form in United States. Farmers are making it clear that they want one organization which will have the authority to bargain and negotiate — not only with governments, but perhaps more importantly with corporate interests, on social and economic matters. This is a policy that can be supported. It is a policy that this Government accepts."

A DIRTY WORD

One of the dirtiest words in THE English language is "housewife". How would you feel if the census-taker or the election pollsters dropped around, asked your occupation, and you had to reply with that demeaning, degrading epithet?

The very word suggests some kind of sub-woman married to a house. And, as a lot of women will tell you, that's about the size of it.

Once a woman was proud of the title. It meant Woman of the House (or Mistress of the House if you weren't married). It gave her a status. She was respected by her family, her neighbours, and, most important, herself.

Today it has many connotations, most of them uncomplimentary. It means drudge, dope, sucker, parasite; it means nagging, futility, restlessness, exlessness, depending on who is calling the hot.

Take a look at your average housewife on a TV commercial. She is portrayed as being so dumb it makes you wince, as she raves over some cruddy soap or new instant coffee.

And in the TV family series shows, she's even more sickening. All sweetness and light, with the knowing look, the coy smile, and just the right word at the right time, to solve the family crisis. She is shown as a materialistic manipulator of her half-witted husband.

Real housewives aren't like this at all. Within practically every one of them lies a caged tigress, flaming passion, an artistic soul, bludgeoned to near-death by dishes and drudgery and husbands who love their cars more than her, and kids who treat her like a door-mat.

After 20 years of being mauled by family and house, the "housewife" realizes she's been had. But it's usually too late. She is physically pooped, mentally rusty, 30 pounds overweight and realizes with a deep shock that she may have 100 skills in the house, but not one that is being sought in the want ads.

This rude awakening can lead to all sorts of things: the gin bottle; the tranquillizer; growing

obesity; and in some cases, a revolution that cuts all her adhesions and puts her into the world as a woman, something she hasn't had time to think about for 20 years.

And it's all so unnecessary. Why should an intelligent woman, who has something to contribute to society, be shackled to a house and family for two decades, doing work she hates, when it could be done as well or better by someone who enjoys it?

There are thousands of young women in this country who have no pretensions, or even interest, in intellectual or business careers. Yet they have all the things thousands of housewives and mothers don't: placid temperaments; a pleasure in simple tasks, well done; a good way with children; warm hands and kind hearts.

Why aren't they looking after homes and children, while women who have an urge to create and compete and do things are released to have a whack at them?

It's because "domestic help" has a certain social stigma attached to it. It needn't have. We don't need or want "slaves" any more. But we do need young women who could be trained as housekeepers, placed in jobs, and given decent wages.

They could be trained as rigidly as nurses, but wouldn't need the educational standards, nor the length of time to qualify. White smocks and shoes, a professional organization, good training and wages, and many a girl who is sweating in a factory would leap at the job. And there'd be no shortage of jobs.

Objections? The kids would miss mother love, you say. Baloney. More kids are ruined by neurotic, frustrated mothers than ever would be by a kind, judicious girl who came in every day.

The family closeness would be broken? Nonsense. Families are so close now that they're smothering each other.

Finally, the payment of such a new vocation should be tax deductible for women who want to, or have to work.

If I were ten years younger, I'd organize a training school and placement service, call them "The Girls in White" and make a fortune.

OBITUARY

CHARLES B. REYNOLDS

The death of Charles Benjamin Reynolds occurred at the Huntsville District Memorial Hospital on Saturday, May 4, 1968, after an illness of four months. The deceased lived at 5 Duncan Street East, Huntsville, Ontario.

The son of James Reynolds and Mary McNeil Reynolds, both deceased, he was born on September 8, 1893. He was educated at Minden, Ontario, and first came to the district in 1929.

The deceased was married on April 23, 1919 at Fenelon Falls, Ontario to Violet Lynette Junkin, the daughter of the late Blake and Florence Junkin.

Mr. Reynolds was retired, and was a member of Trinity United Church and Fairy Lodge No. 275 I.O.O.F.

Left to mourn his passing, in addition to his wife, are two sons, Laverne C. and Bernard A. Reynolds, both of Huntsville, Ontario; four sisters, Mrs. Sadie Tolson of Toronto, Mrs. Pearl Lyle of Kinmount, Mrs. Cora Upton of Utterson, Mrs. Lydia Coulter of Minden; and two grandchildren, Bruce and Cydney Reynolds of Huntsville, Ontario. Mr. Reynolds was predeceased by a son, Bruce Alexander, killed in action in Italy on July 5, 1944.

The funeral service was held at Trinity United Church, Huntsville, which was conducted by Rev. James Oben. Interment followed in Huteson Memorial Cemetery, Huntsville, Ontario.

MERC 39 the 3.9 that performs like a 5 ... and trolls like an electric

The quality built into each Merc 39 makes it unquestionably the most deluxe small fishing motor you can buy. It has quality features you don't find even on competitive 5hp motors! Things like full forward-neutral-reverse gearshift; one hand twist grip control of speed and direction; a rugged one-piece lower unit that glides over obstacles and through weeds; a safety-clutch prop drive that eliminates troublesome shear pins; a handy 3 1/4 gallon remote fuel tank (no slopping gas over the engine when you fill up); and exclusive Jet-Prop Exhaust that not only buries exhaust sound and fumes deep underwater, but also reduces drag and improves engine performance as well. No wonder the Merc 39 is becoming the weekend fishermen's favorite!

Wedding to take place at Gospel Church, West Guilford at 7 p.m. on Saturday, June 15, 1968. Dance in Medley Pavilion, Carnarvon at 9 p.m. Everyone welcome.

Card of Thanks

The family of the late Andrew Kernohan wish to thank friends, relatives and neighbours for hospital visits, kind expressions of sympathy and cards. Special thanks to Rev. McCaw and the John Welch and Son Funeral Home.

IN MEMORIAM

LINDSAY — In loving memory of our dear daughter, Eva, who passed away May 30, 1967. We often think of bygone days. When we were all together. The family chain is broken now. But memories will live forever. To us she has not gone away. Nor has she travelled far. Just entered God's eternal home. And left the gate ajar. —Lovingly remembered by Mom, Dad, and brother Carl.

LINDSAY — In loving memory of my dear sister, Eva, who passed away May 30, 1967. Two tired eyes are sleeping. Two willing hands are still. For one who suffered far too much. Is resting in God's will. You never said good-bye to us. Perhaps it's just as well. We never could have said good-bye. To one we loved so well. —Lovingly remembered by Gladys, Ron and Family.

LINDSAY — In loving memory of dear Eva, who passed away May 30, 1967. It seems so strange that those we need. And those we love the best. Are just the ones God called away. And took them home to rest. But every time we think of you. We seem to hear God say, "Have faith and trust my promise. You'll meet again some day". —Lovingly remembered by Ruth, Ken and Family.

LINDSAY — In loving memory of a dear sister, Eva Lindsay (Misco), who passed away May 30, 1967. In tears we saw you sinking. We watched you fade away. Our hearts were almost broken. You fought so hard to stay. But when we saw you sleeping. So peacefully free from pain. We could not wish you back. To suffer that again. —Sadly missed by sister Ruby, Ellwood and Family.

THOMPSON — In memory of a loving husband, father and grandpa, Wm. Howard, who departed from this life June 2, 1967. God knew that he was suffering. That the hills were hard to climb. So he closed his weary eyelids. And whispered "Peace be thine". Away in the beautiful hills of God. By the valley of rest so fair. Some day we know not when. We will meet our loved one there. —Ever remembered by wife Katie, Howie, Marie and Boys Eric, Nellie and Children, Keith Geraldine and Children.

CHURCH NEWS

UNITED CHURCH OF CANADA BAY OF QUINTE CONFERENCE

A former minister of Queen Street United Church, Lindsay, and of Seagrave Pastoral Charge, Rev. Dr. H. G. Lester of Kingston was recently elected President of the Bay of Quinte Conference of the United Church of Canada, during its sessions at Queen's University, Kingston, Ontario from May 13 to May 16, 1968.

"There must be a re-awakening of the sense of Christian vocation", said Rev. Dr. Roy Nichols, in support of this claim he remarked: "An unharnessed horse is good for grazing but not for plowing". Dr. Nichols in his devotional addresses spoke on St. Paul, Martin Luther, John Wesley and of his country's race problem and its involvement in Viet Nam. Dr. Nichols is a minister of the coloured race and of a church in Harlem, New York. Following his last address to the Conference Rev. Dr. Nichols, accompanied by his wife, received a standing ovation in appreciation of his inspiring and informative contribution to the Conference.

"It is a great time to be part of the Christian Church", said Mr. Donald G. Smith of the Board of Men, in representing the General Council of the United Church of Canada at the Conference. However, during his address, Mr. Smith claimed that the Church needs a change in stance, a change in strategy and a change in structure.

Several former members of the Evangelical United Brethren Church, including the Rev. Dr. Emerson Hallman, were welcomed as members of the Conference. Dr. Hallman, who led the Canada Conference of Evangelical United Brethren into union with the United Church of Canada on January 10, 1968, gave the Communion Service sermon at the opening session of the Bay of Quinte Conference.

The Lindsay Presbytery met during the Conference on Tuesday, May 14. The Presbytery decided to authorize its Survey Implementation Committee under Convenor Rev. J. Newton Reed of Sunderland, to proceed with the work of re-alignment, amalgamation and consolidation. It was decided that such agreements as were reached, following meetings with the people of the Pastoral Charges involved, would become effective on Jul 1, 1969.

ST. GEORGE'S A.C.W.

The Evening Branch of the A.C.W. met in the Board Room of St. George's Anglican Church on Monday, May 20. The meeting opened with a hymn, followed by the Lord's Prayer in unison.

Rev. R. J. Carder conducted the Bible Study of the Christian Character Course, chapter 2 on "Humility".

Mrs. Rose Coneybeare gave a very interesting report of the A.C.W. Deanery Meeting held recently at Bobcaygeon. She mentioned that the ladies who attended had a very enjoyable day.

The ladies have planned a door to door fund drive on June 10, proceeds to go towards the building fund.

The meeting closed with the Prayer Partner's Prayer, followed by a social hour and refreshments.

MOTHER AND DAUGHTER BANQUET HELD

Tuesday evening, May 21, was the occasion of the annual Mother and Daughter Banquet held at the United Church for those belonging to C.G.I.T., Explorers and messengers. The messengers being included, also enabled a few sons to attend as well, as this group is for both boys and girls. One hundred sat down to a buffet style hot luck supper, which looked like a smorgasbord and was thoroughly enjoyed by all.

The program for the evening was very ably handled by Miss Jane Misener, who acted as M.C.

The messengers being the youngest group, ages six to nine, were introduced by their leader, Mrs. Jean Iles, who in a few words told of their study of Japan and also expressed her thanks to her assistants, Mrs. Marie Blair and Miss Helen Tyler. This group of boys and girls first said "Hello" in Japanese, followed by the singing of "Jesus Loves The Little Children" and "Be Careful Little Eyes". They then said "Good-Bye" in Japanese. Marney Blair and Susanne Bennett, having reached the age of nine, were graduated into the Explorers.

The Explorers, aged nine to 12, led by Miss Jane Misener and assisted by Mrs. Jacqueline Gostlin, entertained with the song "One Hundred Miles", accompanied by Miss Misener on her guitar. Miss Misener spoke on the work they had done during the time she has been their leader, and awarded three girls with their "E" pins, symbolic of these girls having been in the Explorers for three years and now ready to enter C.G.I.T. These girls were Kim Cowan, Sharron Peters and Cathy Bannon. Karen Young was also graduated into C.G.I.T.

The oldest group, the C.G.I.T., are led by Mrs. Dorothy Way. She too spoke of what they have accomplished during this past year, and thanked her assistant, Miss Gail Young, for her help and also Mrs. Pat McCaw who is a Registered Nurse and has been giving the girls a Home Nursing Course. Mrs. Way had the honour of presenting ten of these girls with their White Lanyards, making them Senior C.G.I.T. girls. The girls receiving their awards were Jwayne Roberts, Pam Schroter, Glenda McKay, Allison Brown, Susan Kirkpatrick, Sylvia Swinson, Rene Shipley, Debbie Wilson, Gail Young and Barbara Holland. Jwayne Roberts, as President of the C.G.I.T., presented Mrs. Way with a gift from the C.G.I.T. given in appreciation for all she has done for them.

Sharron Peters thanked the ladies from the U.C.W. for their help in serving the banquet.

The program was concluded with a short skit entitled "The Disadvantages of Multi-Channel T.V.", which provoked much laughter and was very well presented by Debbie Wilson, Jwayne Roberts, Pam Schroter, Glenda McKay and Rene Shipley.

Miss Misener thanked everyone for coming, and all will be looking forward to this event next year.

RED SHIELD APPEAL

In every part of Canada there are men and women who turn to The Salvation Army for comfort, encouragement, a mended home, material survival and a freshened spirit. The Army's service is built on faith. Faith has been described as the substance of things hoped for, the evidence of things not seen. The Salvation Army has translated faith into action and through service made faith live.

When you help The Salvation Army, you are helping Canadians in every part of Canada.

Give today and give generously to the Red Shield Appeal.

CARNARVON

Mrs. Betty Routcliffe of Sarnia is staying with the Victor McBriens. Their other daughter, Gwen, of Florida was home for a couple of weeks also.

Weekend guests of Mrs. Hussey were Mr. and Mrs. Charles Weaver of Toronto, Miss May Haltry, also of Toronto, spent part of last week there.

We are sorry to learn that Mr. George Cowan is in the Peel Memorial Hospital in Brampton, and we wish him a speedy recovery.

Mrs. Violet Harrison, who was hospitalized in Minden on returning from a Florida hospital, has been transferred to a hospital in Toronto, where we hope she is recovering satisfactorily.

(Intended for Last Week)

The Afternoon Group of the U.C.W. met at the home of Mrs. Jack Gregory on Thursday afternoon.

Spending the holiday weekend at the home of their parents were Mr. and Mrs. John Atkins of Burlington, Mr. and Mrs. Ray McKay, Mr. and Mrs. Jim Redner, Mr. and Mrs. Clifford Archer, Don Archer, Larry Medley and Ross Packard, all of Toronto, and Tom Harrison of Sudbury.

Mrs. Helen Monckton, who has spent the past year with her sister, Mrs. Cecil Irwin, has returned to her home in Africa.

The ladies of the community met at the Christian Education Building to honour Miss Judy Toye with a Wedding Shower.

Master Victor Williams of Toronto spent the weekend with the Max McKays.

Ladies Enjoy Trip To Niagara Falls

Forty-one ladies from Minden travelled by bus, chartered by the Women's Institute, last Wednesday leaving at 7:15 a.m. With a lovely day and a very co-operative driver, Ed Skelcher, whom we all called Mr. Ed, the day began.

With a coffee break near the 401, we continued on the scenic route which was surely lovely with the blossoms at their best.

A tour of Queenston Heights was enjoyed and all stretched their legs at the Gorge. Then on to a short stop at the Cable Car, although none ventured across.

A delicious lunch was enjoyed at a Cafeteria, and we all scattered to see what we pleased for the afternoon. The Magnolia trees, tulips, and lilacs were certainly beautiful, and the gardens at Niagara are certainly lovely. Some walked across to a Museum in U.S.A. and others saw Tussauds Museum.

Again we were on our way, with a stop for dinner at Toronto and then home. With all joining in a sing-song, noisy, sometimes

off-key, and forgetting the words, still it was pleasant.

Arriving home at 11:15 p.m. it had been a long day, but all agreed it was a pleasant one, and many said 'we'll see you next year!'

Exhibition Of Crafts

Residents and visitors of the Haliburton district will be interested to know that the Artisans Guild of Hamilton (formerly the Hamilton Handicrafts Guild) are having an Exhibition of Crafts from June 8 to June 15. It takes place at the Haliburton School of Fine Arts, Highland Street, Haliburton.

There will be examples of crafts such as weaving, pottery, leather, enamel craft, silver, needle craft (including toys), a miscellaneous group which has such crafts as woodcarving, basketry, soapstone, glass, and batik and puppets.

People attending the exhibit are certain to enjoy the display.

If you're
planning to
modernize
your home,
here's the place
to begin.

Modernizing your home can be a delightful experience. Home improvements can do a lot to help make your way of living better than ever. But before you start to modernize, you should take care of one thing first: your household wiring.

If you begin your modernization programme by re-wiring, almost everything about your home will suddenly seem better. You'll have all the electrical outlets you need. Your appliances will perform better, and you can add all the new ones you're ever likely to need without the annoyance of overloaded circuits or blown fuses. Re-wiring will let you take advantage of the new ideas in household lighting. With decorative exterior lighting you'll be able to enjoy patio living on pleasant summer evenings. You will, in fact, be opening the doors to the joys of all-electric living, including the quiet comfort of electric heating. Start modernizing your home by re-wiring.

THE HYDRO FINANCE PLAN will let you re-wire your home right now. Call a qualified electrical contractor for details, or ask your Hydro.

Buy's Interest In CKVR-TV, Barrie

TORONTO (CP) — Mr. Allan Waters, President of CHUM Ltd., announced last Thursday that the company has purchased from Mr. Geoffrey Stirling his one-third interest in Ralph Snelgrove Television Ltd., which operates CKVR-TV in Barrie, Ontario.

The purchase, if approved by the Canadian Radio-Television Commission, will give CHUM Ltd. controlling interest in the Barrie Station. Purchase price was not disclosed.

Mr. Waters, Mr. Stirling and Mr. Snelgrove owned the Barrie Station jointly. Last year they received approval to move the station's transmitter south to Palgrave, within range of Metropolitan Toronto, but final clearance was held up in the Federal Cabinet.

Mr. Snelgrove retains his one-third interest in CKVR-TV and continues as President and General Manager.

OBITUARY

ANDREW A. KERNOHAN

The community was saddened to learn of the death of Mr. Andrew Alexander Kernohan on Tuesday, May 14, 1968 at the Ross Memorial Hospital, Lindsay.

The deceased was the third son of the late John and Ellen Kernohan, and was in his 71st year.

Mr. Kernohan is survived by two brothers and two sisters, namely Hugh and Robert of Minden, Mrs. Agnes Lansfield of Fenelon Falls, and Mrs. Ella Snell of Minden.

The funeral was held from the Chapel of the John Welch and Son Funeral Home on Thursday, May 16 at 2 p.m., where many friends and relatives gathered to pay their respects. The service was conducted by the Rev. R. McCaw of Haliburton United Church. Interment at Minden Cemetery.

The pallbearers were four nephews, Murray Barry, Karl Barry, Oswald Snell, Ivan Kernohan, and two cousins, Alex Taylor and Roy Kernohan.

A "Thank You" To School Glee Club

On Thursday, May 23, they gathered from all parts of the County at Hyland Crest Senior Citizen's Home to hear the Haliburton Glee Club give a delightful performance.

Concerts such as these are a highlight in the lives of the residents, who are not all able to attend affairs outside the Home. It warms one's heart to see the young folks taking this interest in our senior citizens.

The Choir sang beautifully, and the solos and duets sang by Paul Carpenter and John Jermyn were exceptionally fine. They have splendid voices and sang with sensitivity and good diction.

The modern folk song with guitar accompaniment by Miss Marjorie Fawns was very much enjoyed, as was Miss Candice Bailey's solo.

Once again, many thanks boys and girls, and a special thank you to Mr. Bill Gliddon, your very talented conductor and accompanist.
